

6 June 1984

MEMORANDUM FOR:

[redacted]
Chief, Information Management Staff, DO

FROM:

J. Kenneth McDonald
Chief, History Staff

SUBJECT:

Conclusion of CIA-NARS Memorandum of Understanding
on OSS Records

1. I'll attach a copy of the National Archives-CIA Memorandum of Understanding (MOU), which Harry Fitzwater signed for CIA yesterday, Robert Warner having already signed for NARS on 25 May.

2. I understand that the Records Management Division in OIS/DA will refer to this MOU in amending the transfer forms for the first batch of OSS records that NARS will open to the public next Monday, 11 June, and in preparing future transfer forms.

3. I shall return one duplicate original of the MOU to Dr. Warner, and keep the other one here.

4. In signing yesterday, Harry Fitzwater said that he will ask [redacted] to prepare an answer to Dr. Warner's 25 May 1984 letter, which transmitted the MOU to the Agency.

5. I am glad that we have this understanding on record, and grateful for all the help and advice we got from you and your office in concluding it.
